1. NEIMAN MARCUS LAST CALL

"The Grapevine location is the largest Last Call in the country, and I'm always finding incredible deals—like a \$1,000 cashmere sweater for \$90." (3000 Grapevine Mills Pkwy., Ste. 233, Grapevine. 214-513-1527)

2. SEMI-PERMANENT MAKEUP BY MOJAN

"She flies in every couple of months to do eyebrows, lip liner, and eyeliner. She uses henna, and the result is very natural-looking." (\$325/By appointment only at Michael Flores Salon, 3716 Bowser Ave. 214-460-2105)

3. CHANEL SUNGLASSES

"You can't go wrong. They are so fabulous!" (\$290/Neiman Marcus)

4. HERMÈS ARCEAU WATCH

"Do either the ladies' or men's large. The medium doesn't have enough punch. If you like really huge faces, this is incredible." (\$2,175/Hermès)

5. RÉVIVE SKINCARE

"It's the only true anti-aging product on the market. It was developed by a plastic surgeon who worked with burn victims and contains epidermal growth factor, which helps cell regeneration." (\$165 for Moisturizing Renewal Cream/Barneys New York)

6. A STRAND OF PEARLS

"I saw a woman in Paris wearing them, and I've been obsessed with long, massive strands of pearls since. A 77-inch or longer strand is a must." (\$149 for 100-inch strand/Macy's)

7. CLARINS HIGH DEFINITION BODY LIFT

"You will be thrilled with the results, which last only a day. But, heck, a day is better than nothing." (\$65/Dillard's)

8. CURRENT/ELLIOTT

"My favorite new jeans. Get the Boyfriend style—full length, not cropped." (\$206-\$226/Neiman Marcus)

9. THE T ROOM AT FORTY FIVE TEN

"It's my favorite lunch spot. I love the cranberry pecan chicken salad and lemon pie with pistachio crust." (4510 McKinney Ave. 214-559-4510)

10. ARMANI LUMINOUS SILK FOUNDATION

"It's the best. Every makeup artist I have spoken with—who is not committed to his or her own line—has raved about it." (\$58/Neiman Marcus)
